# Local Rules

Afstanden in meters naar middelpunt green / Distances in meters to centre of green.

## Out of Bounds

All farm land defined by white stakes and fences

Hole 18: area behind the waterhazard around the island,

defined by white stakes and fences

dropping zone is additional option Waterhazard defined by yellow stakes

Lateral waterhazard defined by red stakes

· Ground Under Repair defined by blue stakes

play prohibited

 ESA (Environmental Sensible Area) defined by blue/green stakes play and access prohibited

### Immovable Obstructions

 Yellow, red and blue stakes and distance markers, wiring around trees as well as wooden protection surrounding the greens (e.g. Hole 4, 16,..) are immovable obstructions.

 Rhododendrons, trees protected by a stake, and young trees up to one clublength in height.

In case of interference: player must take relief (Rule 24-2b).

Stones in bunkers are movable obstructions.

### General

See Ad Valvas for any Temporary Local Rules.

Yellow/blue stakes: 150 metres to centre of green.

Yellow/red tiles: 150/100 metres to the front of the green.

 The white sand area around the waterhazard of hole 2 is considered through the green (waste bunker).
